**To the Sheriff or any Peace Officer:**

The Affiant has subscribed and sworn to an affidavit for a court order and probable cause exists to believe an OWI has occurred and that a blood sample will produce evidence of intoxication. Therefore, **In The Name of the People of the State of Michigan**, I command that you (i) seize the named driver and procure blood samples at an appropriate medical facility and in accordance with proper medical procedure, (ii) make a prompt tabulation (on the reverse side of this Order) and return to this Court, and (iii) determine the amount of alcohol or presence of a controlled substance, or both, in the driver's blood.
