

**EATON COUNTY BOARD OF COMMISSIONERS**

**FEBRUARY 20, 2019**

**RESOLUTION TO APPROVE COMPUTER SECURITY INCIDENT RESPONSE PLAN**

**Introduced by the Information Technology & Communication Committee**

Commissioner Haskell moved for the approval of the following resolution. Seconded by Commissioner Rogers.

**WHEREAS**, the County Technology Services Department has developed a Computer Security Incident Response Plan to fulfill requirements established by the Michigan Department of State Police, Law Enforcement Information Network (LEIN) Field Services Division; and

**WHEREAS**, as a result of an audit conducted by the Field Services Division certain administrative revisions to the County's Incident Response Plan were identified to be necessary; and

**WHEREAS**, the proposed administrative changes were reviewed by the Information Technology and Communication Committee; and

**WHEREAS**, the Information Technology and Communication Committee is recommending the approval of the County's Computer Security Incident Response Plan.

**NOW, THEREFORE BE IT RESOLVED**, that the Board of Commissioners approves the Computer Security Incident Response Plan, as reviewed by the Information Technology and Communication Committee. Carried.
