

EATON COUNTY BOARD OF COMMISSIONERS

JUNE 20, 2018

**RESOLUTION TO APPROVE REVISED MEMORANDUM OF AGREEMENT BETWEEN
EATON COUNTY AND MICHIGAN DTMB CENTER FOR SHARED SOLUTIONS**

Introduced by the Information Technology & Communication Committee

Commissioner Ridge moved the for the approval of the following resolution. Seconded by Commissioner Rogers.

WHEREAS, the Board of Commissioners and Michigan Department of Technology, Management and Budget (MDTB) Center for Shared Solutions previously entered into a Memorandum of Agreement for the use of County Geographic Information System (GIS) data for emergency dispatch (9-1-1) data on October 16, 2013; and

WHEREAS, the DTMB has requested a revision to the Memorandum of Agreement to continue to utilize the data within the NextGen 9-1-1 environment when implemented; and

WHEREAS, the Central Dispatch Director reviewed the proposed revisions to the Memorandum of Agreement with the Information Technology and Communication Committee; and

WHEREAS, the Information Technology and Communication Committee is recommending approval of the revised Memorandum of Agreement to the Board of Commissioners.

NOW, THEREFORE BE IT RESOLVED, that the Board of Commissioners approve the revised Memorandum of Agreement between the Michigan Department of Technology, Management and Budget (MDTB) Center for Shared Solutions and the County; and

BE IT FURTHER RESOLVED, that the Chairman of the Board of Commissioners is authorized to sign any necessary documents. Carried.
