Thank you for your recent inquiry about relative or guardian adoption proceedings in Eaton County. The Court requires that you fully complete all forms, attach all applicable documents listed on page 2 and file the entire packet with the Court. The Court will only accept completed adoption packets. Please note that you and your spouse, if applicable, are considered the "petitioner(s)", "adopting mother" and "adopting father" when completing these forms. If you are not filing with a spouse, please leave those portions of the forms blank.

We also require that you provide information regarding the biological parent whose rights will be terminated. This Court requires that both biological parents consent to this adoption, or that their rights be terminated through a separate proceeding under the Juvenile Code. If a biological parent(s) whereabouts is unknown, or if you know that a parent(s) will **not** consent to the adoption, please indicate this on the last page of the social history paperwork.

The Michigan Adoption Code requires a six-month supervisory period after the termination of parental rights. The Adoption Code does allow Petitioner(s) to file a motion to request a waiver of that supervisory period. This will be decided by the Judge on an individual basis at the time of termination. If this is something you are interested in please inquire when you file the completed adoption packet with the Court.

You are not required to retain an attorney for this adoption, but if you choose to do so, your attorney will also need to file a 7-Day Statement of Services Performed by Attorney at the time you finalize the adoption.

If the Court can be of further assistance to you, please do not hesitate to contact our office at 517-543-6003, Ext. 1246 or via email at clima@eatoncounty.org. We look forward to working with you!

Sincerely,

Carmen Lima
